REPRESENTING THE CHIEF OF POLICE'S OFFICE:
ASSISTANT CHIEF JAMES WHITE

1 Detroit, Michigan

2 October 20, 2016

3 About 3:00 p.m.

4

5 COMMISSIONER BELL: Good afternoon.

6 ALL: Good afternoon.

7 COMMISSIONER BELL: And welcome to the
8 weekly afternoon meeting of the Board of the Police
9 Commission. I am Willie Bell your chair from District
10 4. We going to start the process by having an opening
11 prayer by very own Bishop Edgar Vann. Commissioner.

12 (Invocation given.)

13 COMMISSIONER BELL: Thank you, Commissioner
14 Vann. And we're going to start instruction of the Board
15 of Police Commission to my far left with commissioner.

16 COMMISSIONER SHELBY: Commissioner Richard
17 Shelby, District 1.

18 COMMISSIONER VANN: Commissioner Edgar Vann,
19 District 2.

20 COMMISSIONER CRAWFORD: Commissioner
21 Reginald Crawford District 3.

22 COMMISSIONER MOORE: Commissioner Ricardo
23 Moore, District 7, vice chairman.

24 COMMISSIONER CARTER: Commissioner Lisa
25 Carter, District _____.

1 COMMISSIONER BROOKS: Commissioner Elizabeth
2 Brooks, appointed.

3 COMMISSIONER SANDERS: Commissioner Derek
4 Sanders appointed.

5 COMMISSIONER DEWAELSCHÉ: Commissioner Eva
6 Garza Dewaelsche, appointed.

7 COMMISSIONER BELL: And I want to say that
8 all the appointed commissioners represent the entire
9 city of Detroit and perhaps we need to say in terms at
10 large, you know, because they represent the city of
11 Detroit and we represent the district but also the city
12 of Detroit would that be appropriate? I'm just going to
13 thank all of you for their service regardless how they
14 they come here as appointed, elected. We are one body
15 of 11 person board to share the interest of public
16 safety in the city of Detroit and I thank you for
17 showing up this afternoon. As we move forward I'm going
18 to ask the commissioners approval of the agenda for this
19 afternoon meeting.

20 COMMISSIONER VANN: Move the adoption, Mr.
21 Chair.

22 COMMISSIONER MOORE: Support.

23 COMMISSIONER BELL: It's been properly moved
24 and supported. Discussion? Those in favor aye.

25 ALL: Aye.

1 COMMISSIONER BELL: Those opposed? Motion
2 carried. Approval of the minutes from October the 13th,
3 2016 the next item of business.

4 COMMISSIONER MOORE: So moved.

5 COMMISSIONER DEWAELSCHE: Mr. Chair -- oh.

6 COMMISSIONER BELL: Discussion?

7 COMMISSIONER DEWAELSCHE: Yes, correction.
8 I believe it's a correction in the first paragraph where
9 it indicates that Commissioner Dewaelsche inquired about
10 the efficacy of the department bringing to the board a
11 permanent policy on awarding fallen officers ceremonial
12 ranks following their death. My inquiry was adjustments
13 in pay or benefits to surviving families. So I want it
14 to be very clear that that's what I was inquiring about
15 not the ceremonial rank itself but an adjustment in pay
16 and benefits for officers.

17 COMMISSIONER BELL: Thank you, Commissioner.
18 So let the record be clarified with that stipulation.
19 Been properly moved and second. Any other further
20 discussion on the minutes? Those this favor aye.

21 ALL: Aye.

22 COMMISSIONER BELL: Those opposed? Motion
23 carried. At this time I have a brief statement to make
24 in terms of my only remark but perhaps before I do that
25 I would like to ask Mr. Hicks to introduce the board

1 staff.

2 MR. HICKS: Sure, Mr. Chair, just for the
3 record you also have a quorum.

4 COMMISSIONER BELL: Thank you, sir.

5 MR. HICKS: We have two excused absences
6 Commissioner Burton and Commissioner Mallett.

7 COMMISSIONER BELL: Thank you, sir.

8 MR. HICKS: In connection with the staff
9 who's here today obviously Robert Brown who is no doubt
10 working coming in this direction here. We have Gail
11 Oxendine who is the head of the HR bureau. And we also
12 have media services providing the taping tonight. We
13 have Caitlyn Mancini who is also doing the court
14 reporting tonight. And officer or Sergeant Quinn who is
15 handling recording for the night and then not that I
16 overlooked Chief Investigator Drake but Drake normally
17 follows at the end and also introduces other people on
18 her staff.

19 CHIEF INVESTIGATOR DRAKE: Today with me is
20 Senior Investigator Charlotte Jones.

21 COMMISSIONER BELL: Thank you. At this time
22 before I read my statement perhaps we need to just get
23 the formality introduction out of the way. We know who
24 all in the room. To my far left is Assistant Chief
25 James White sitting in for Chief Craig and if you want

1 to introduce any other staff members at this time or DPD
2 family that would be okay.

3 ASSISTANT CHIEF WHITE: I can only see past
4 the first row. We've got Deputy Chief Hall neighborhood
5 police. Deputy Chief LeValley with the detective's
6 bureau. Commander Sims, internal affairs. Captain
7 Petty, downtown services. And anybody I miss just stand
8 up and introduce yourself. I see D.C.

9 COMMANDER WILLIAMS: Commander Williams 7th
10 precinct.

11 COMMANDER BETTISON: Commander Bettison,
12 chief neighborhood liaison.

13 CAPTAIN CHAMBERS: Captain Michael Chambers,
14 internal control.

15 CAPTAIN BOLINKSI: Capt. Ken Bolinski, task
16 force administration.

17 CAPTAIN COCKS: Captain Rodney Cocks, major
18 crimes.

19 CAPTAIN MILES: Captain miles, homicide.

20 COMMANDER WILSON: Ronald Wilson, Commander,
21 major crimes. Lieutenant Franklin Hayes, special
22 victims unit.

23 COMMISSIONER BELL: Thank you to Assistant
24 Chief White and all the others who in attendance that
25 are non-DPD I want to thank you for coming out for our

1 afternoon meeting. We will move forward and have a
2 statement in reference to the towing involving six
3 officers suspended. On Tuesday night many of us saw a
4 local news broadcast indicating that six Detroit police
5 officers was suspended for bribes in connection with
6 with the illegal towing of cars.

7 We would all -- we were also told in this
8 broadcast that this was part of an ongoing FBI
9 investigation. Media task was verified of suspension
10 information as we did Wednesday as an oversight board.
11 We have requested information as to the reason
12 supporting the suspension. This information can be
13 readily obtained from the chief of police. As an
14 oversight board we do not have access to investigative
15 material from the FBI insofar as an internal department
16 investigation reported to be underway by the department
17 internal affairs section we are eager as others to
18 receive the results of their investigation.

19 The chief is reported to have said more
20 officers could be suspended. We are asking for many of
21 the detail in this matter as soon as it can be made
22 available pursuant to any internal investigation by the
23 department. Because of our concerns and the media
24 concern on this report, we are asking that reasonable
25 information be shared periodically and not wait till the

1 conclusion of the investigation. Periodic sharing of
2 reasonable information would help us address issues of
3 public accountability and transparency while protecting
4 the individual rights of members of the department.
5 Officers accused have access to a full range of
6 protection and defenses as you can see from the media
7 involvement and reaction from one of our police units.
8 Namely the DP08.

9 In recent past the commissioner has begun a
10 review of several gaps in the police towing rules. We
11 have constructed an Ad hoc committee of the board to
12 discuss several of these gaps with the mayor and the
13 chief. While we do not have the specific information
14 surrounding that allegation against those six officers,
15 we hope to continue and examine our rules to the extent
16 that the alleged violation help us create stronger and
17 better rules. I say strong and better rules. We will
18 do so.

19 Finally, as we have received several calls
20 from the media on this matter we have reported out
21 proposed a copy of the towing rules the application
22 process and the current list of authorized towing
23 company on our city website that the Board of Police
24 Commission paid. That is the extent of our formal
25 statement. There might be other commission that might

1 want to weigh in at some point in time but I think that
2 time will probably within the realms of when Assistant
3 Chief White give us his report and respond perhaps he
4 might cover some of the issues that we are dealing with
5 so as we move forward.

6 COMMISSIONER MOORE: Mr. Chair.

7 COMMISSIONER BELL: Yes, sir.

8 COMMISSIONER MOORE: Can I please read the
9 website so that citizens can know what you were
10 referencing in that statement.

11 COMMISSIONER BELL: Yes, sir.

12 COMMISSIONER MOORE: W-W-W dot Detroit M-I
13 dot gov back slash government back slash Detroit police
14 commissioner hyphen meetings.

15 COMMISSIONER BELL: Thank you, sir. The
16 next item of business would be Assistant Chief White.

17 ASSISTANT CHIEF WHITE: Good afternoon,
18 board. So as you're aware a number of issues
19 particularly with towing as we've all seen in the media
20 these past few days and I'm going to tell you that the
21 chief as well as the entire executive team are troubled
22 by the information that we've learned recently. As
23 you've indicated in your statement this is an active
24 federal investigation and I will tell you there's a
25 bifurcated investigation where the police department is

1 also conducting an investigation via internal affairs.
2 There are a number of different issues in this
3 investigation that I am not at liberty to discuss at
4 this point. Once that information is made available we
5 will do the appropriate briefing for the board. We've
6 also had some preliminary discussions with D.C.
7 Washington about having a briefing with the board with
8 regards to what we can release right now. There's some
9 sensitive information in the federal investigation that
10 I'm not at liberty to even know so they're communicating
11 directly with the people they need to communicate with
12 regard to this investigation.

13 COMMISSIONER BELL: Thank you, Assistant
14 Chief White. Commissioner, if you want to weigh in and
15 respect the process as he outlined it in terms he cannot
16 go into details but there might be forecoming (sic)
17 briefing of the board so as we move forward so
18 Commissioner Crawford.

19 COMMISSIONER CRAWFORD: Yes, sir, through the
20 chair. Yes, sir, Chief I respect the integrity of that
21 investigation and I welcome the actions of Chief Craig
22 to suspend the six officers but the question I have is
23 more or less framed for the commission if the chief can
24 suspend six officers, and the federal government can
25 suspend the blight dealing with the federal

1 investigation for a couple months it occurred back in
2 August, then why can't we as a commission suspend the
3 towers who were part of this investigation.

4 I've reviewed the tow rules and as a matter
5 of fact this was a presentation back in April, well,
6 sometime in late April and we all received a copy of the
7 tow rules from then attorney Linda Bernard who was our
8 attorney at the time. Also, too, this is actual posting
9 from the legal news where the tow rules were one might
10 say amended Tuesday, April 21st, 2010 and of course that
11 was the prior commission.

12 As I stated before we've had complaints on
13 the record who individuals who came before us
14 complaining about the towing and it was one individual
15 who was a paid lobbyist from one of the tow companies
16 that wanted us to suspend towing and I told him at that
17 time that we couldn't do it and we wouldn't do that and
18 we had no legal standing to do that but now that this
19 information is public; and I stated before on the record
20 I'm never one who's been in toe or would be in toe with
21 the towers -- no pun intended there -- but I just
22 question to maybe perhaps we need to act with all due
23 speed in terms of whatever we need to do in terms of
24 researching and temporary suspend the towers who are
25 part of this investigation.

1 And it states here and if you read the tow
2 rules too that the city may immediately suspend a towing
3 permit if there's any if there's fraud or criminal
4 conduct. Now of course no one's been convicted of any
5 fraud or criminal conduct. Terminated is the word so I
6 just question the fact that it shouldn't be business as
7 usual or alleged corruption as usual in the city. This
8 is a different day, a different commission, different
9 administration, different police chief, and a different
10 mayor so.

11 COMMISSIONER BELL: Well I'd like to respond
12 Commissioner Crowder, there's no towing company named;
13 there's no formal allegations involving exactly what has
14 transpired so we should not be entertaining dialogue
15 about suspending any towing companies. Nothing come
16 before us at this time so I just want to respond to that
17 manner. As we go forward if there's something of
18 substance, then we would take the proper action as a
19 board in terms of fact finding but right now there's
20 nothing for us to act on as far as the towing companies
21 itself but chief responded to the issue dealing with the
22 officers and I think we support that suspension based on
23 the merits that they have brought forth in terms of this
24 investigation in conjunction with the FBI. We knew that
25 this investigation was underway quite some time ago so

1 I'm pleased that it's somewhat now out there formally so
2 as we go forward we are going to respect the process.

3 COMMISSIONER MOORE: Through the chair.

4 COMMISSIONER BELL: Yes, sir.

5 COMMANDER CRAWFORD: Go ahead.

6 COMMISSIONER MOORE: Assistant Chief just a
7 point of clarification. You mentioned that the FBI was
8 conducting their investigation and that DPD was
9 conducting an investigation as well?

10 ASSISTANT CHIEF WHITE: That's correct.

11 COMMISSIONER MOORE: Will DPD wait for the
12 federal investigation before they release their details
13 or will they be independent in releasing before the
14 feds?

15 ASSISTANT CHIEF WHITE: I don't know at this
16 time. I'll have to be briefed by the chief as to how
17 they're going to release the information with regard to
18 that investigation. I will tell you that there are
19 facets of both investigations that overlap so I don't
20 know the answer to that.

21 COMMISSIONER MOORE: And last question who's
22 the point of contact for the DPD with the feds?

23 ASSISTANT CHIEF WHITE: I'm sorry?

24 COMMISSIONER MOORE: Who's the point of
25 contact for DPD for the feds?

1 ASSISTANT CHIEF WHITE: For DPD would be
2 Commander Sims.

3 COMMISSIONER MOORE: Okay thank you.

4 COMMISSIONER BELL: Any other questions?

5 COMMISSIONER VANN: Mr. Chair.

6 COMMISSIONER BELL: Yes, sir.

7 COMMISSIONER VANN: I just want to say that
8 I believe that we are proceeding with this appropriately
9 as a commission and I appreciate the statement that
10 you've just given and, you know, this is a palinal
11 problem we know within the department in terms of
12 towing. I can remember my first stint on the commission
13 with Commissioner Dewaelsche. We had similar issues.
14 So this is a longstanding problem and I'm very happy to
15 see that we're coming to a place where we can finally
16 take care of the problem and fix the problem once and
17 for all. And I just want to make sure that the
18 commission is apprised as you say of the information as
19 it unfolds. We're not asking for proprietary
20 information that we're not supposed to have but we
21 certainly do want the information necessary so that we
22 can fulfill our fiduciary responsibility in terms of
23 being a policy making body. So as we go forward we know
24 that there are going to be policies that are going to be
25 needed; there are going to be procedures that are going

1 to have to be discussed and addressed and that's what
2 this commission will do at the proper time.

3 COMMISSIONER BELL: Commissioner, your
4 comments? Any other comments?

5 COMMISSIONER CRAWFORD: Through the chair.
6 Yes, sir, in reference to Mr. Chairman in what you
7 stated in terms of the information and you're absolutely
8 correct because we don't even have the names of any
9 tows. As a matter of fact I think we requested from the
10 department a couple months back a list of all the
11 towers.

12 COMMISSIONER BELL: We have that list. It's
13 posted on the website.

14 COMMISSIONER CRAWFORD: Now?

15 COMMISSIONER BELL: We have always once we
16 went through the contract this summer we approved all
17 the tows. It's been listed. It's in your information
18 packet but if not, we will make sure you receive it but
19 that was the process of 20 some towing companies. We
20 have that information and we're now sharing it on our
21 website.

22 COMMISSIONER CRAWFORD: Okay I didn't look
23 at the website today. But also too the rules of policy
24 it may be something as we in the future do a bit more
25 research and reading. It may need to be -- may need an

1 amendment of such but it goes beyond rules and policy;
2 it's about those who may violate or break the rules.
3 You can have the tightest policy in the world but if
4 you're going to have individuals who allegedly violate
5 the rules of the policy, then that's the issue here.

6 COMMISSIONER BELL: That's correct.

7 COMMISSIONER MOORE: Mr. Chair.

8 COMMISSIONER BELL: Yes, sir.

9 COMMISSIONER MOORE: Through the chair. I
10 just want to echo the same thing that Commissioner
11 Crawford just said. We can have all the rules in the
12 world but if you have a person that's hellbent on
13 breaking those rules, they're going to break the rules.
14 So I do commend you for your statement, Commissioner
15 Crawford.

16 ASSISTANT CHIEF WHITE: If I may through the
17 chair certainly any rule, any violation of any rule is
18 responsibility of the management team to ensure that the
19 rules of the organization are followed so I'm just
20 asking that the board allows this process to play out.
21 We will continue to be transparent and hold people
22 responsible and accountable for their actions whatever
23 their actions may be. This is a complex investigation
24 and certainly it's, you know, with the media attention
25 to this investigation it's getting a lot of light but it

1 won't be dealt with any differently because the light is
2 shining brightly on it; we're going to handle it as a
3 misconduct investigation and if we an officer who has
4 broken the law, they will be held accountable. I mean,
5 that's the bottom line and I think the chief has proven
6 that he is transparent and that, you know, the
7 management team is committed to correcting any wrongs
8 that's in the department.

9 Also so I appreciate the conversation about
10 it being a palinal issues with regards to towing but I
11 want to be very clear that I don't think it's a issue, a
12 palinal issue of misconduct in regards to our officers.
13 We have a number of officers, you know, over 2,000 that
14 every day, day in and day out, you know, do what's
15 required to be done and go above and beyond and have
16 impeccable work records. Unfortunately, this situation
17 takes away or puts a shadow over those officers that,
18 you know, suit up day in and day out and do this job the
19 right so let's let the process play out. If these
20 officers are in fact guilty, I assure you that they will
21 be held accountable and you'll be hearing from the chief
22 very quickly as to what his recommendations are with
23 regards to their discipline.

24 COMMISSIONER BELL: Thank you, Assistant
25 Chief White. And I have confidence in the process.

1 COMMISSIONER CARTER: I just have a quick
2 question to Assistant Chief White. For residents who
3 feel like they may have been a part or victim of the
4 process is there somewhere some person that that they
5 should report to or just go into a precinct or how
6 should they bring forth their information?

7 ASSISTANT CHIEF WHITE: They can bring forth
8 that information a number of ways. One way would be to
9 contact internal affairs. Contact the office of the
10 chief investigator. Go to any precinct and make a
11 report. But certainly you can start with contacting
12 internal affairs and I'll get a number for you in
13 regards to that. 596-2447.

14 COMMISSIONER CARTER: Okay thank you.

15 COMMISSIONER BELL: Mr. Hicks.

16 MR. HICKS: Commissioner, I just wanted to
17 also indicate that in spite of the information and the
18 pending investigations what the charge for this
19 commission was to look at the rules and to identify gaps
20 in the rules and so we're really, aside from those
21 criminal-based inquires, we're doing a review and that
22 was the basis in which we formed the Ad hoc committee.
23 We're putting together a list of concerns in which we
24 hope to share or we're almost at the point where we can
25 share them with the chief's office through the liaison

1 that the chief has identified.

2 And our view in that regard is really
3 looking at gaps because even in the statements earlier
4 that we actually authorized the entire list we cannot
5 find evidence in the record that we actually authorized
6 the entire list. And this is one of the areas where the
7 gaps exist so there are a few of those things which
8 we're looking at. It has nothing to do with the
9 investigations that are taking place; they are normal
10 and routine kind of rules tightening we need to do
11 anyway.

12 COMMISSIONER BELL: Thank you for that
13 clarification Mr. Hicks. Any other comments?

14 COMMISSIONER CRAWFORD: One last question
15 Assistant Chief are we still utilizing those same tow
16 companies today, the department; those tow companies are
17 still in rotation actively today and we are continuing
18 or the department's continuing to call and utilize the
19 ones that are under investigation?

20 ASSISTANT CHIEF WHITE: So when you define
21 it as those tow companies the ones that have been
22 identified in the investigation I am not familiar with
23 which specific tow companies are involved. As I
24 indicated this is a classified investigation and there's
25 a need to know briefing and they didn't need to tell me

1 at that point. So once these tow companies are
2 identified as a catalyst for this problem, we will make
3 the appropriate recommendation to the board that they be
4 suspended but at this point that would be premature.

5 COMMISSIONER CRAWFORD: Okay thank you, sir.

6 COMMISSIONER BELL: Commissioner Moore.

7 COMMISSIONER MOORE: Yeah, just a point of
8 clarification so we're saying that there is more than
9 one tow company involved?

10 ASSISTANT CHIEF WHITE: Well see now we're
11 spitting hairs. No, I mean, I'm not going to continue
12 to plant seeds in the investigation. But it is an
13 active investigation and there's more to come and, you
14 know, I'm not trying to evade the question but this is a
15 very complex investigation and there will be more
16 information as it unfolds over the next few weeks.

17 COMMISSIONER MOORE: Thank you, Chief.

18 COMMISSIONER BELL: As Assistant Chief
19 stated he's not involved with the process so we respect
20 and we are not involved in the process. So let's move
21 on to the chief's summary crime stat report in terms of
22 what he might want to cover at this point.

23 ASSISTANT CHIEF WHITE: Again good afternoon
24 board through the chair. We do have good news to report
25 on the crime front. We continue to experience a

1 decrease in crime by way of very, very good work, hard
2 working men and women of the Detroit Police Department.
3 The aggravated assaults are down 4 percent. Our
4 nonfatal shootings are down 10 percent. Our robberies
5 are down 10 percent our carjackings are down 10 percent.
6 Those are just numbers but to us, you know, they
7 represent people.

8 For example, the reduction in the nonfatal
9 shootings means for us that 87 people, 87 less people
10 were shot this year than at the same time last year so
11 we have 87 less victims of a shooting in Detroit. So
12 that's good work. We do have a slight bump in homicides
13 with regards to the numbers; we have a 4 percent
14 increase in homicides. Homicide team is doing very,
15 very good work. There are a number of warrants that
16 have been prepared and sent over and we're waiting
17 disposition and those warrants. And I'm sure that those
18 numbers will come in line but certainly we're not
19 throwing our shoulders out patting ourselves on the
20 back. These numbers do not represent the numbers that
21 we want to have in the city so we're all still working
22 very hard to bring down crime in the city of Detroit.

23 Also, more good news is I'm sure all of us
24 heard today about the three year old that was missing.
25 She has been recovered healthy in a vacant house in the

1 city of Detroit and the perpetrator has been arrested.
2 The mayor has been working very hard; D.C. LeValley,
3 Deputy Chief Fitzgerald, and Deputy Chief Hall teams
4 have all been out there and working very hard to recover
5 this child and we certainly have so we're very, very
6 happy about that; that we don't have a negative report
7 and the suspect is in custody. We have a, when we're
8 ready for it, but we have a presentation from Deputy
9 Chief LeValley from the detective bureau so when you're
10 read for that we can roll that.

11 COMMISSIONER BELL: We are ready if you're
12 ready.

13 ASSISTANT CHIEF WHITE: I am ready.

14 DEPUTY CHIEF LEVALLEY: Good afternoon,
15 board, Chief White, and visors I am Deputy Chief David
16 LeValley, detective bureau for the Detroit Police
17 Department. I would ask that the command staff from the
18 detective bureau step forward and join me. It's two
19 fold: One so that you can put a name with a face when I
20 introduce them and secondly if any of you have tough
21 questions I have someone to pass them to. I'll first
22 introduce Commander Marlon Wilson. Commander Wilson
23 oversees the major crimes and organized crime divisions
24 of the bureau. Captain Rodney Cox oversees special
25 victims unit. Captain Elaine Miles oversees homicide,

1 and Captain Ken Balinski oversees task force
2 administration and Lieutenant Franklin Hayes back here
3 he's a new lieutenant and joined us at SVU.

4 I'm going to move through this. If there's
5 any questions, anybody that wants to stop me in between;
6 there's a lot of material here, pretty large bureau
7 within the department. I passed out an order chart in
8 beginning in case you wanted to see it or get a visual
9 as to where the units belong.

10 Mission of the detective bureau. It's our
11 mission to ensure the public's trust and confidence in
12 the Detroit Police Department though the conducting of
13 impartial and thorough investigation into allegations of
14 criminality. First unit I'll talk about is homicide.
15 Homicide falls under major crimes. They respond to and
16 investigate homicides within the city of Detroit. In
17 addition to homicide scenes they also respond to and
18 investigative infant deaths, suicides, any unnatural
19 deaths such as drug overdoses.

20 So they actually in addition to our homicide
21 numbers they have a lot more scenes that they have to
22 process, and that they have to manage in addition to the
23 homicide numbers. They consist of six squads that are
24 broken down. Each squad has two precincts. There's
25 also a task force within homicide that handles a lot of

1 our multi-victim, juvenile homicide cases. That's a
2 joint task force that they work together with MSP and
3 then we also have a cold case within homicide. Fatal
4 squads that's part of homicide as well and fatal squad
5 handles all of the critical and fatal car accident.
6 They're assigned to homicide. Head quarter
7 surveillance. Surveillance team that we utilize to
8 apprehend all of our homicide suspects whether we obtain
9 a warrant or we establish probable cause for their
10 arrest; they're a very successful unit. Right now we
11 have single digit homicide suggests that are at large
12 that we've identified so they're very good at getting
13 them into custody quickly.

14 Missing persons unit. We have a sergeant at
15 missing persons that our liaison works with the precinct
16 detectives. A lot of our cold missing person cases are
17 investigated by this sergeant. Sometimes we get people
18 that are found that are either in a state of discomp...
19 decomposition, yeah, sorry. I couldn't think of that
20 word. So she works very hard to try to identify them
21 and works with families to get DNA samples from parents,
22 from siblings and identify unidentified people.

23 Some of the community partnerships through
24 homicide one of them is Mothers of Murdered Children.
25 They're our liaison between families of new homicide

1 victims and the department and they work a lot with the
2 detectives because they're able to relate a lot better
3 to how some of the families are dealing with the loss of
4 a loved one.

5 Another partnership is crime stoppers. We
6 have crime stopper individuals that are embedded in
7 homicide and they help to coordinate press conferences,
8 to set up flyers, take in tips, process that information
9 for us so that people can make anonymous tips.

10 Our second is special victims unit that
11 consists first of domestic violence and they -- this
12 unit handles cases where there's married relationship,
13 formally or currently residing together, or they have a
14 child in common so dating relationships where they don't
15 live together those are handled by precinct detectives
16 but these here are handled by the domestic violence
17 unit. They actually process near 10,000 forms a year on
18 the cases that come in for domestic violence.

19 And the next area is sex crimes. Sex crimes
20 unit they have four squads. One is the unknown squad so
21 this would be your rapist out on the street that we have
22 no identification on the person at the time. The other
23 second squad is a known squad; this would be more of
24 like a date rape situation where we know who the suspect
25 is up front. There's a child squad where the child is a

1 victim. And SAK squad and that's something that we
2 recently started collaboration with the prosecutor's
3 office to process and work all of the cold cases that
4 came up from sex assault kits that have been processed
5 over the last few years because we're now getting a lot
6 of those DNA hits back so we have a team of detectives
7 there working with the prosecutor's office to type those
8 warrants and start getting individuals identified or
9 into custody.

10 Third unit there is child abuse. Child
11 abuse responds to and investigates allegations of child
12 abuse on anybody that's under the age of 16. We do get
13 a lot of cases that come in either through traditional
14 reporting methods or through schools, child protective
15 services so anytime we have a teacher that reports to
16 CPS that they've observed injuries on a child one of
17 their students that they can't explain, this unit
18 investigates all that as well.

19 And then last part of SVU is arson. They
20 took out in '15 up until that point arson only consisted
21 of fire investigators so they were firefighters who had
22 been trained in the police academy to investigate
23 arsons. In 2015 we entered into an agreement with the
24 fire department where we added 8 police detectives to
25 that squad and they work here, they investigate all

1 suspicious fires in the city. And they've been very
2 successful so far in typing a lot of arrest warrants and
3 getting people into custody for arsons.

4 Next area is major violators. This falls
5 under the organized crime part of the detective bureau.
6 Major violators consists of first the major violator
7 section which has four raid crews. They do a lot of
8 work raiding in the city. And they have conspiracy
9 crews that work large scale drug dealers and they work
10 in conjunction with the DEA a lot.

11 The second part is prisoner processing unit.
12 The prisoner processing they handle all of the arrests
13 for narcotics city wide regardless of who makes the
14 arrest so precinct officers on patrol make a narcotic
15 arrest, it's processed by the prisoner processing unit
16 of major violators.

17 The third piece of that is vice. Vice has a
18 crew that handles prostitution, obscenity, illegal
19 liquor activity and illegal gambling throughout the
20 city; they do inspections on bars, some gas stations,
21 topless establishments, as well as street enforcement.
22 So they'll do offer to engage operations where they do
23 reverse stings I guess you would call it with taking
24 Johns into custody.

25 The next area there is liquor license so

1 major violators are responsible for all applications of
2 liquor licenses and requests for bar permits and
3 inspections on current licenses when there appears to be
4 any indication that it was obtained fraudulently.

5 And then the last part of major violators is
6 a Forfeiture Unit. And so forfeiture they process for
7 the department all narcotic proceeds that we seize.
8 There's a process that they go with the courts that if
9 somebody wants to appeal a seizure we make. Most of the
10 seizures that we make involve cash, cars, or sometimes
11 jewelry. If there's an indication that the person
12 obtained those items through the sale of narcotics, then
13 we're able to seize that and they can post a bond, have
14 a court hearing and the judge will make a determination
15 whether or not they actually should have that stuff
16 returned to them or we keep it.

17 They also process nuisance abatement so
18 some of our push-off operations that we do where people
19 come to a location to buy drugs we will seize their
20 vehicles as a nuisance to the neighborhood, as well as
21 off to engage in prostitution activity. Those vehicles
22 are seized and then there's again a bond process and a
23 court hearing that they go through to make a
24 determination whether or not that property should go
25 back to the person or become city property.

1 Next area is Task Force Administration so
2 we're -- this group consists of a number of smaller task
3 forces or I say smaller we have a contingent of DPD
4 officers on each of these task forces that pair up
5 usually with federal partners to conduct different
6 organized crime operations and investigations. They do
7 a lot of federal indictments on various gangs, drug
8 groups. And it consists of the violent gang task force
9 which we partnered with the FBI. The Firearms
10 Investigative Team where we partner with ATF. Joint
11 Terrorism Task Force also an FBI task force. The
12 Detroit Fugitive Apprehension Team which is U.S.
13 Marshals. Our partnership on that task force allows us
14 to pursue wanted individuals basically worldwide. We
15 can either dispatch our people through this task force
16 to apprehend somebody if we get a lead if they're on the
17 other side of the state in the UP; we've sent people to
18 New York to make arrests. Sometimes we send a lead to
19 some of those other agencies if we find out that a
20 wanted felon from Detroit is out of state.

21 The General Assignment Unit they investigate
22 and handle dumping, electric theft, scrapping, and
23 graffiti complaints. Fugitive Recovery Unit they serve
24 felony warrants within the city of Detroit so that's a
25 team that handles most of our nonfatal shooting warrants

1 and a lot of our armed robbery warrants. Cyber crimes
2 team this is a fairly new unit to the department
3 consists of six, two sergeants and four individuals and
4 so they are -- they've been doing a lot of work with
5 phones, with computers, some internet crimes. They are
6 the unit that handled the recent Facebook threats cases
7 that are being charged with the Attorney General's
8 Office and the U.S Attorney's Office. So there as they
9 get some more training they'll expand the cyber crime
10 and maybe identity theft type cases that they'll be able
11 to work on. And last part of the Task Force
12 Administration is commercial auto theft and they handle
13 all organized vehicle theft rings, chop shops, all
14 carjacking cases in the city and insurance fraud cases.

15 Next we have crime scene service; it's also
16 part of the major crimes and organized crime and
17 property section so crime scene services consists of
18 evidence technicians. So we have a staff that is sworn
19 and civilian; they work 24 hours a day, 7 days a week
20 and they go to all major crime scenes or any other crime
21 scene where if we get a request from detectives that
22 they need to have something processed, they go out,
23 collect, preserve evidence, they lift finger prints,
24 they'll take blood samples, recover casings, bullets,
25 evidence from crime scenes, photographs. This year

1 they've processed or responded to 3,774 scenes and work
2 requests.

3 Next piece of crime scene services is latent
4 prints and AFIS Unit. So they identify and classify
5 lifting prints from crime scenes. When evidence techs
6 go out they lift a print from a car, they send it over
7 to latent prints, latent prints will classify it and try
8 to make a determination as to who the person is; if we
9 have their fingerprints on file here. If not, they
10 enter it into AFIS and that's a nationwide database of
11 fingerprints.

12 The last part of that is property control
13 and they're responsible for securing and storing all
14 evidence in DPD and this year they've handled or moved,
15 processed 450,000 pieces of evidence. And that's housed
16 here in this building. They do an excellent job of
17 every day evidence coming in, going out, drugs, money,
18 guns. Any time officers need something for court they
19 come to the property control, they check it out, bring
20 it back when they're done. They keep an accountability
21 of who has pieces checked out. And they're also
22 responsible for the turning over property that's being
23 released to citizens, which we do here at this building
24 Monday through Friday.

25 Next Investigative Operations Control Desk

1 and Response team. So we maintain a control desk at
2 Investigative Operations that takes notifications on all
3 major crime scenes and all arrests city wide and they're
4 like the quarterback of managing the people that come
5 in, the scenes, where the response teams need to go to,
6 and that's a 24/7 operation. And when we talk about
7 response teams, we have over the last few years we in
8 our effort to be -- to streamline some of the processes
9 that we had in place we've eliminated some of the
10 standby units that are working at night. We just didn't
11 find that it was very efficient to have whole teams of
12 people sitting around at night from each individual unit
13 within the detective bureau waiting for a crime scene to
14 occur.

15 In the likelihood of them actually being
16 able to follow up and go knock on doors in the middle of
17 the night is not high so what we did is we established
18 response teams that consist of teams of two detectives
19 each and they work covering hours from 7 p.m. to 8 a.m.
20 so when a call comes in and we've had a crime that
21 occurred at night, the control desk dispatches a
22 response team and then response team goes out and begins
23 to process a scene. If it's one that they can handle
24 through themselves, they do. If it's not, if it's
25 homicide scene, they'll go out and get started, secure

1 the area, and then we call the homicide detectives. And
2 the last piece of investigative operations and this is
3 the part that works in my office that we audit all
4 investigate commands throughout the city, track
5 warrants, ensure a lot of the issues that were brought
6 out through a consent judgment years ago that we
7 continue to maintain that level of scrutiny that we had
8 in place then. We haven't given up on any of that.

9 Next part records management. So we
10 maintain and disseminate department records. There's a
11 customer service desk that is normally housed at the 3rd
12 precinct we just temporarily moved it to the 4th
13 precinct on 4th street because of some construction
14 that's taking place at the 3rd precinct but at that
15 customer service desk we provide crime reports to the
16 citizens, to other agencies, insurance companies,
17 anybody that comes in and wants to buy a crime report we
18 sell those. Accident reports we provide them and we
19 also do firearms registration for anybody who lives in
20 the city of Detroit come in and register their firearms.

21 The other piece of records management right
22 now is identification and so this is housed at the
23 second floor of the DDC. And at that location we have
24 all of the fingerprint cards that we've taken back for
25 well we just purged to 55 years back. We did have cards

1 a lot older than that but we don't have the need to keep
2 those cards longer than that and actually the state
3 recommendation I believe was 40 years. We decided to
4 exceed it a little bit because we wanted to just have a
5 cushion for right now and it didn't cost us anything
6 that we would use the other space for so we felt like we
7 wanted to keep the cards. But they positively identify
8 all arrestees so everybody who comes in and is
9 fingerprinted they match up their prints with current
10 Detroit history, make sure that we have any alias names,
11 they do MDOC checks and also applicant background
12 checks. So anybody who needs to get a clearance, what
13 it's referred to, they do that through the detective
14 bureau; they'll come in and get fingerprinted, we'll
15 research their history and then give them a letter
16 indicating what their history is with Detroit.

17 Also part of the is detective bureau the
18 Detroit Detention Center, the court liaison and court
19 officers. So the Detroit Detention Center is
20 responsible for processing care and custody of all
21 detainees and they do arrangements and one of the
22 reasons this is part of the detective bureau is because
23 we have some detective personnel that are in house, also
24 the court officers who take the warrant packages to
25 court and then the court liaison all together so that

1 there's kind of some seamless communication; we don't
2 run into issues where we're holding people in excessive
3 amount of time.

4 And as we've gone through this now it's very
5 rare occurrence that we have somebody that we hold more
6 than 48 hours without being arraigned, which is
7 consistent with what the constitutional requirement is.
8 Okay. I know you get a detailed presentation from a lot
9 of these commands so I'm just trying to give a whole
10 overview of our bureau.

11 Crime intelligence unit and they're
12 responsible for identify emerging crime patterns
13 throughout the city. They put together packages on
14 those and then send those out to the precincts that then
15 get distributed to officers within the precinct so
16 they're aware of all the crime patterns in their area,
17 what the descriptions of the suspects are. They monitor
18 all the Greenlight Project locations on the 7th floor
19 here. We're actually starting some construction here in
20 the next few weeks on the fourth floor to build a
21 permanent realtime crime center. And they'll do any
22 intelligence workup on all critical incidents and any
23 time a detective requests intelligence work up. If they
24 give them a name, the Crime Intel Unit, they can search
25 the number in the database and produce a lot of the

1 information on the individuals if need be for an
2 investigation.

3 Also part of that is gang intelligence.
4 They track and monitor known gang affiliations. The
5 Enforcement Arm of Ceasefire and they respond to
6 homicides and nonfatal shootings in the Ceasefire areas.
7 And then they'll respond to scenes in other areas of the
8 city on an as-needed basis if we get an early indication
9 that there's maybe gang involvement in a different
10 precinct.

11 Also is Avert and Avert stands for the Audio
12 Visual Evidence Recovery Team. So this is a team that
13 goes out to locations throughout the city. There's
14 cameras everywhere now. So a couple of years we found
15 that we really needed to have some team of individuals
16 that were trained up with the specialty to deal with all
17 the different types of systems and to be able to recover
18 that evidence quickly. I'm sure you've probably noticed
19 lately that we have a lot more images and broadcasts on
20 the news, which we use the media as a partner. It
21 hasn't always been the case but we view it that way now,
22 that they're an invaluable tool for us to get that
23 information out quickly. Most of the time when we do we
24 end up with a positive identification in the end. That
25 kind of wraps it up. Any questions?

1 COMMISSIONER BELL: Commissioner.

2 COMMISSIONER MOORE: Thank you,
3 Mr. Chairman. Great presentation and I want to commend
4 you and your staff you have here because a quick
5 response whenever I have an issue I can just call you or
6 e-mail you and you'll respond very quickly so I truly
7 appreciate that. Notice two of the five people you have
8 standing behind you were from the 10th precinct and they
9 were snatched away so I guess that's a prerequisite to
10 join your team is to come through the 10 precinct but I
11 appreciate your service in the community. Captain Cox
12 and Captain Miles. Two quick questions: Records
13 management were they moved recently from the Boulevard
14 to Southwest Detroit.

15 DEPUTY CHIEF LEVALLEY: They were, yes.

16 COMMISSIONER MOORE: How were the citizens
17 notified of that or were they notified?

18 DEPUTY CHIEF LEVALLEY: I don't believe
19 there was a public broadcast of information. I don't
20 think they would know until they actually either looked
21 it up online or they got to the location.

22 COMMISSIONER MOORE: So it is online, the
23 city website that that move did take place?

24 DEPUTY CHIEF LEVALLEY: It would be on DPD's
25 website. I'm not for certain.

1 COMMISSIONER MOORE: Because I just want to
2 educate the public to make it easy for them. And my
3 last question deals with fingerprints. Okay I
4 understand for homicides, sex crimes, or major crimes
5 fingerprints are automatically taken place. What about
6 for like a stolen car or a home invasion who would make
7 that call as to who would fingerprint?

8 DEPUTY CHIEF LEVALLEY: You're talking about
9 the the crime scene; it would be the detectives that are
10 assigned to the case. Stolen cars it would depend on
11 the situation for the recovery. All carjacking vehicles
12 where the person was robbed are held for prints and
13 they're taken to 7800 Dix because we have an indoor
14 garage; they process every day cars at that location.
15 On a regular straights deal what we refer to when the
16 person wasn't robbed and the car wasn't taken, that
17 would be more on a case by case basis if there's an
18 observation that they think there might be a fingerprint
19 available, and then the other one you asked about was?

20 COMMISSIONER MOORE: Home invasions.

21 DEPUTY CHIEF LEVALLEY: Those are the
22 detectives within the precinct and they have the ability
23 to send over work requests and we have teams that work
24 during the day that they go out and process scenes based
25 on the requests that come in so detectives would tell

1 the individual don't tamper with the area until the
2 techs get here and they'll come out and dust.

3 COMMISSIONER MOORE: Thank you, Chief.

4 COMMISSIONER BELL: Commissioners?

5 COMMISSIONER DEWAELSCHE: Yes, thank you. I
6 have two questions real quick. How many employees do
7 you have in your bureau and how many are sworn officers
8 and civilian? Just a round.

9 DEPUTY CHIEF LEVALLEY: Yeah, about 400 in
10 the bureau. And of that probably 320 are sworn and 80
11 non-sworn.

12 COMMISSIONER DEWAELSCHE: Okay and then just
13 another quick question. On the fingerprints are any of
14 those -- well I know that probably the high level like
15 homicide fingerprints would go into a national database.
16 Are there just certain levels of crime that go into the
17 national data base or do they all?

18 DEPUTY CHIEF LEVALLEY: No, they all go in.

19 COMMISSIONER DEWAELSCHE: Thank you.

20 COMMISSIONER SHELBY: Through the chair.

21 Yeah just a quick question. Great presentation, Chief.
22 As it relates to our sex crimes what's at issue in the
23 rape kits. Are rape kits being processed in a timely
24 manner now?

25 DEPUTY CHIEF LEVALLEY: Yes, they go out

1 three times a week so there's usually no more than a 48
2 hour delay in a rape kit being shipped from us out to a
3 lab. And we are of all of the 11,570 some kits those
4 are I'll say almost all tested. The number that aren't
5 tested at this point is very small. And when I say when
6 aren't tested the kits that we have right now that I
7 should say haven't been retested because we tested them
8 at one point but the technology has changed and so we're
9 working through sending some of those kits out to be
10 retested. But years ago it wasn't quite at advanced so
11 there's some of the early kits that we still have to
12 resend.

13 COMMISSIONER CRAWFORD: Through the chair
14 and thanks for the presentation, Chief and also the
15 visualization I see all the people backing you up.
16 That's a good visual because often times we get
17 presentations and people are sitting out there but I
18 want to thank you. It's really appropriate and I
19 appreciate it. Also too as a follow-up on the test kits
20 too I believe the question was being processed, well,
21 yes you stated sent out in 48 hours but also too I think
22 I read something recently that it's like 44 days but
23 that's on the state; it has nothing to do with DPD.

24 DEPUTY CHIEF LEVALLEY: Right.

25 COMMISSIONER CRAWFORD: Like they're

1 processing the kit is I think I read something like a 44
2 day turnaround or something like that.

3 DEPUTY CHIEF LEVALLEY: That would in our
4 experience be fast I believe; 44 days would be fast in
5 our experience.

6 COMMISSIONER CRAWFORD: There was something
7 I read in the media recently about that. Also too this
8 is in terms of domestic violence. This is domestic
9 violence awareness month and I note there's nothing to
10 indicate whether domestic violence is up or down. I
11 don't know if it'd be appropriate to be on this
12 reporting out once a week or maybe something once a
13 month, something like that.

14 CAPTAIN COX: It's included in the
15 aggravated assaults.

16 COMMANDER CRAWFORD: Oh it's included.

17 DEPUTY CHIEF LEVALLEY: So, sir, at the next
18 board meeting is when the formal presentation for
19 domestic violence comes next week.

20 COMMISSIONER CRAWFORD: Yes, sir.

21 THE WITNESS: So Captain Cox will be giving
22 that presentation and the whole time will be devoted
23 just to domestic violence.

24 COMMISSIONER CRAWFORD: That would be fine
25 because this is so important. It's so important to know

1 whether or not it's up or down because as you well know
2 there are some things start off as domestic violence and
3 they evolve into other things.

4 DEPUTY CHIEF LEVALLEY: Yeah, and Captain's
5 been working on some programs that I'm sure they'll
6 touch on next week for domestic violence prevention
7 that; he's been rolling out to certain areas of the city
8 so.

9 COMMISSIONER CRAWFORD: Yes all right thank
10 you, sir.

11 COMMISSIONER VANN: Mr. Chair. Great
12 presentation of course. In my district, in District 2,
13 northwest Detroit the two highest complaints there of
14 course are medical marijuana dispensaries and
15 prostitution especially in the Woodward 6 Mile, 7 Mile
16 Palmer Park area. Does that come under major violators?

17 DEPUTY CHIEF LEVALLEY: It does, as well as
18 vice, yes. And also the precincts too so vice is a city
19 wide unit that covers a lot of areas but they do regular
20 operations up in that John R. Woodward 7 mile area and
21 so does the 12th precinct they're usually doing an
22 operation twice a week up there, once to twice a week
23 for street prostitution activity. I'm sure that the
24 level of activity there could warrant some more, yes.
25 And as well as the medical marijuana locations right now

1 we're working through licensing those locations and
2 shutting down the ones that don't belong or that aren't
3 licensed. Once we get --

4 COMMISSIONER VANN: It just appears to some
5 in the community that the process is a bit slow
6 especially with the medical marijuana dispensaries.

7 THE WITNESS: It has I know been slower than
8 the mayor and the law department would have liked and
9 it's I believe because of some licensing and legal
10 challenges at this point. But we're -- the department
11 is ready to shut them down once we get the green light
12 to do so.

13 COMMISSIONER VANN: Okay. Does this
14 include --

15 DEPUTY CHIEF LEVALLEY: It's not really a
16 detailed answer there because it's a little bit outside
17 of our purview.

18 COMMISSIONER VANN: So does this area also
19 include human trafficking as well?

20 DEPUTY CHIEF LEVALLEY: Yes, that -- not
21 major violators. Vice will do a little bit of that if
22 they come across it but it more belongs the task forces,
23 the task force administration. So we have some officers
24 that belong to SEMCAC, which is Southeastern Michigan
25 Crimes Against Children Task Force. And they do a lot

1 of work with human trafficking and especially children
2 that are being sold or used for sex trade.

3 COMMISSIONER VANN: Okay.

4 COMMISSIONER BELL: Any other comments
5 commissioner? Questions? I just have a brief comment.
6 Could you every now and then we get victim family appear
7 at the meeting and they are not satisfied with the
8 investigation and I know every homicide that this is
9 growing in terms of the families victim, you know. And
10 I have history of working with So Sad and now we got
11 these moms; we had met with the moms and chief, you
12 know. Could you walk us briefly through the steps in
13 terms of once a homicide victim, what is the process of
14 dealing with the families? Could you give us a glimpse
15 of how you approach it in terms of the victim families?

16 CAPTAIN MILES: Once a homicide occurs we
17 identify --

18 COMMISSIONER BELL: Your name.

19 CAPTAIN MILES: I'm sorry, Captain Elaine
20 Miles, homicide for the record. Once we identify the
21 next of kin or the next family member, we typically deal
22 with that person in terms of getting information.

23 COMMISSIONER BELL: I'm sorry, that mic is
24 not... maybe. Maybe raise it up.

25 CAPTAIN MILES: Can you hear me? We

1 typically deal with the next of kin or the person to
2 give information. With that being said a lot of times
3 you'll have a man that may be married; we will never
4 discount the mother or the father. If somebody calls
5 and wants information in regards to their loved ones, we
6 definitely make sure that we're available to give them
7 that information. That's one of the reasons that we
8 partner with Mothers of Murdered Children; we actually
9 are working with the founder and they're going to
10 actually have a space in our office. They're going to
11 be in ours office; they're going to be available to the
12 detectives in order to reach out to the families. We
13 found that it's very beneficial for typically within 48
14 to 72 hours they're ready to speak to someone and Andrea
15 Clark she's awesome; she's the founder of Mothers of
16 Murdered Children and she's been reaching out to these
17 mothers and embracing them because she has support
18 groups and other things.

19 So partnering with them, talking to the
20 detectives, getting them some sensitivity training in
21 terms of you know they deal with this day in and day
22 out. They see it time after time but understanding that
23 this family this is -- they're dealing with this in real
24 time so we want to make sure that we're sensitive to the
25 needs of the family as well. So we are just because

1 it's the next of kin that doesn't mean we won't speak to
2 the mother or the father; if they call, if they request
3 information, we absolutely will call them back and give
4 them that information.

5 COMMISSIONER BELL: Thank you, Captain, for
6 sharing that information. Any other questions or
7 comments? If not -- yes?

8 COMMISSIONER CRAWFORD: I just have one
9 question, Captain you've been in charge of the homicide
10 unit for how long?

11 CAPTAIN MILES: Three months.

12 COMMISSIONER CRAWFORD: Okay thank you.

13 COMMISSIONER BELL: Deputy Chief and your
14 staff thank you for outstanding interaction with the
15 board and we looking forward to (inaudible).

16 DEPUTY CHIEF LEVALLEY: Thank you.

17 ASSISTANT CHIEF WHITE: I have one more
18 brief presentation; I should have brought it up sooner
19 as we were on the tow issues Deputy Chief Renee Hall has
20 just a very brief presentation for the board with
21 regards to some information that came out in the media
22 today as it relates to towing and potentially that
23 there's some impropriety with regards to how the tows
24 are selected downtown.

25 DEPUTY CHIEF HALL: I just want to bring to

1 the board I do have a packet that I'll hand you. The
2 media talked about briefly some type of disparity in a
3 towing from one area to another. We pulled the towing
4 for the entire summer. What the media talked about was
5 towing at Chene Park, Chene and Atwater, being
6 disproportionate than the rest of downtown. I'm sorry,
7 Deputy Chief Renee Hall. So what I pulled to ensure
8 that we are above board in everything the continuity of
9 towing in the downtown area is legitimate. I pulled the
10 activities for the entire summer and it shows that there
11 is just as much as towing taking place at baseball
12 games, football games, hockey games, as well as at the
13 Chene Park area.

14 What we are enforcing in the downtown area
15 that illegal parking cannot be tolerated. We deal with
16 larcenies and all of those things and we want to make
17 sure that these cars are properly parked and if you look
18 at the tow rotation it will show you that there is no
19 one particular tower. The tows are done what we
20 understand is that when we do a detail, we call into our
21 communications system, they give us a tow number, and
22 that number goes all the way through but it is divided
23 between the towers that are in that respective area. So
24 if it's in the 7th precinct or the downtown area, the
25 towers who are responsible for that area go in rotation

1 and each tower is contacted to pick up the cars in the
2 next order. So that's just to address that information
3 that came across the media today.

4 COMMISSIONER BELL: I'm glad you responded
5 because I received a telephone call last night in
6 reference to downtown Chene Park and I told them that as
7 far as I know you would have to really contact the
8 department in terms of update on that. I'm glad you
9 shared that with us. I would just a couple weekend ago
10 in D.C. and as you well know there's nowhere to park;
11 you have to pay for parking; if not, you're going to get
12 towed quickly; real quick.

13 DEPUTY CHIEF HALL: Yes.

14 COMMISSIONER BELL: So you just can't --
15 this city's growing and downtown and all these events we
16 are now into the real world parking issues so there's no
17 room for allowed vehicles just to park where they want
18 to park so I'm glad to witness that so I'm glad you
19 responded.

20 DEPUTY CHIEF HALL: And just another piece
21 of that is when vehicles are illegal parked especially
22 in that Chene Park area that is a major traveling
23 thoroughfare going along the river access to the
24 Marriott Hotel as well as all the different businesses
25 around there so we need to ensure that emergency

1 vehicles can accurately get through there at any point
2 in time. We do see an enormous amount of activity
3 there. People kind of hanging out and so we do tow a
4 lot in that area but no more than any other area when
5 there's large groups.

6 COMMISSIONER BELL: Any unique issue with
7 Free Press Marathon as far as parking and towing?

8 DEPUTY CHIEF HALL: We did have some towing
9 issues but nothing out of the ordinary. A great event.
10 Incident free. We had a Free Press Marathon going on at
11 the exact same time as the football game so a lot of
12 patrons downtown, a lot of runners, a lot of activities,
13 bars, restaurants all full with no incidents so we just
14 thank the men and women in the city of Detroit for
15 continuing to keep us safe.

16 COMMISSIONER BELL: Commissioners?

17 COMMISSIONER CRAWFORD: Through the chair.
18 Thanks Chief, Deputy Chief, the historically, and I say
19 historically because I remember in the past for years
20 and I'm not surprised by the media reporting something,
21 well, trying to connect something to what is really not
22 in terms of this other investigation involving towers.
23 Even one of the articles a couple of days ago even
24 referenced what was going on with narcotics, you know,
25 the individuals who were convicted via by federal law

1 recently, which had nothing to do with this towing
2 investigation but I want to say historically previously
3 years ago there was always this issue of what was
4 stepped up towing and ticketing particularly when it was
5 a African American event and people didn't see or as
6 citizens would often say and even something that I
7 witnessed years ago and I'm talking plus back 20 years
8 ago whereas it seems to be the stepped up activity of
9 ticketing and towing and people would look at the other
10 events sometimes things going on at the stadiums and
11 stuff and their perception is they didn't perceive that.
12 But as I've always told people, too, if you attend
13 something in downtown Detroit or anywhere park where
14 you're supposed to park so.

15 DEPUTY CHIEF HALL: That's what we
16 encourage. And I can assure you that there's no
17 disparagement in treatment based on one event to the
18 other. Our whole purpose is safety whether you're
19 downtown or mid town or east side or west side that's
20 our whole responsibility and that's what we focus on;
21 and towing is just another area to make sure that the
22 vehicles are safe and put in a safe place as well as our
23 streets are safe and people can actually get in and out.

24 As the Chair said, commission chair said, we
25 are seeing so much growth in the city of the Detroit; we

1 often times have upwards of 500,000 people in the
2 downtown area at one time. So we need to make sure that
3 people can get the ingress and egress is simple for most
4 people coming in and out so that's what our goal is.

5 COMMISSIONER CRAWFORD: And also too there
6 is a difference between department ticketing and you're
7 parking in municipal parking enforcement. People need
8 to understand there there is a difference, too.

9 DEPUTY CHIEF HALL: Yes, they pretty much
10 write the parking tickets. They don't do as much as
11 towing usually but there is a difference between parking
12 enforcement and the city of Detroit.

13 COMMISSIONER CRAWFORD: Yes, ma'am, thank
14 you.

15 COMMISSIONER BELL: Commissioner Moore.

16 COMMISSIONER MOORE: Yes, I didn't read the
17 article. Just a point of clarification are there more
18 tows that occur in downtown Detroit as compared to the
19 rest of the city or what part of the city would you say
20 generates the most tows?

21 DEPUTY CHIEF HALL: I don't have the
22 accurate information but if I just had to go off of what
23 we do in a day, I would say it has to be in the downtown
24 area. We have multiple events on any given day in the
25 downtown area. We have as I said before upwards of 2,

1 300, 400 thousand people in the area at the same time.
2 There is limited parking as you well know. Not enough
3 parking garages, not enough surface lots so people tend
4 to park wherever they can and that requires us to
5 enforce our parking.

6 COMMISSIONER MOORE: And just recently I
7 guess at a Detroit Lions game there were some people
8 charged 25 dollars for parking and they weren't
9 authorized to do it and the vehicles came up towed.
10 What unit from the police department or city of Detroit
11 perhaps would be responsible for regulating the
12 different lots, parking lots?

13 DEPUTY CHIEF HALL: That's a joint effort
14 between the Detroit Police Department as well as the
15 private partners in the downtown area. The Lions, the
16 Detroit Lions parking enforcement as well as Comerica so
17 what we've done is we have a parking lot summit we put
18 together and together we are enforcing these lots that
19 they are fenced in, lighted, and that they have
20 individuals who have the proper credentials and proper
21 uniform so that they're easy and readily identifiable to
22 anyone coming into the city to park.

23 So we do often times get those individuals
24 with an orange vest that they found I don't know where
25 and a flag and they'll wave you in. One of the things

1 we want to ensure that our patrons and the people who
2 visit the city if someone's charging you 5 dollars to
3 park next to a lot that's 30 dollars, we want you to be
4 a little bit wiser that clearly parking in that area
5 cannot be 5 dollars if everyone else is paying 30
6 dollars. And just want, you know, to make sure if they
7 have any questions to reach out. We truly have a lot of
8 police presence in the downtown area as we do across the
9 city right now and we just want to make sure that they
10 reach out if they have questions to call their Green
11 Lights in need -- Blue Lights I'm sorry in the downtown
12 area that they can ask, stop, talk to someone if they're
13 uncertain.

14 COMMISSIONER MOORE: Is there a standardized
15 placard that each parking lot would have?

16 DEPUTY CHIEF HALL: They are establishing
17 that right now. There's not one in place at this time.
18 January 1st through the 31st is when everything is
19 supposed to be solidified for the parking in the
20 downtown area so everyone is uniformed.

21 COMMISSIONER MOORE: Thank you for that
22 because a ring is often times set up on these lots for
23 parking.

24 DEPUTY CHIEF HALL: We're enforcing that as
25 much as we can, you know, doing everything that we can

1 as a police department to identify those individuals as
2 we're driving around patrolling to curtail it as much as
3 we can.

4 COMMISSIONER MOORE: Yes, ma'am, thank you.

5 COMMISSIONER SANDERS: Through the chair.

6 COMMISSIONER BELL: Yes, sir.

7 COMMISSIONER SANDERS: I'd like to know for
8 each precinct it's a certain amount of tow companies
9 designated for that precinct; am I correct?

10 DEPUTY CHIEF HALL: Yes, that is my
11 understanding. Yes, sir.

12 COMMISSIONER SANDERS: So is it a number of
13 four or five for each precinct or do you go by the
14 precinct or how many tow company they can tow for that
15 precinct specifically?

16 DEPUTY CHIEF HALL: I want you to forgive my
17 ignorance on that. I do not know the specific number of
18 tows.

19 COMMISSIONER SANDERS: He should know.

20 DEPUTY CHIEF HALL: Do you have? You have,
21 okay. I didn't even see you I'm sorry.

22 COMMISSIONER SANDERS: I saw him.

23 ASSISTANT CHIEF WHITE: This is Officer
24 Kenyatta Myers and he oversees the towing process
25 through the department.

1 OFFICER MYERS: Good afternoon. I'm
2 Kenyatta Myers as the assistant chief said. There is a
3 varying number of tow companies in the precincts that
4 vary from just 3 tow companies in the 12th and 10th
5 precincts to 7 in the 5th and 9th precinct but the 9th
6 precinct is the busiest for tows with the police
7 department outside of downtown.

8 COMMISSIONER MOORE: What causes the 9th
9 precinct to be the busiest?

10 OFFICER MYERS: Stolen cars. You get stolen
11 cars, abandoned cars, you get everything in number 9.

12 COMMISSIONER BELL: It's not a east side
13 thing it's just one of those things.

14 COMMISSIONER CRAWFORD: I live on the east
15 side.

16 COMMISSIONER MOORE: Who's the commissioner
17 at the 9th precinct?

18 COMMISSIONER CRAWFORD: I am.

19 COMMISSIONER MOORE: Oh he's absent, okay.
20 Thank you, sir. Thanks for cleaning up the precincts.

21 COMMISSIONER BELL: I just want to commend
22 Captain Petty and the D.C. and all of them they doing an
23 outstanding job in downtown, all those activities. I
24 was there for the 5K, you know, on Saturday for the
25 little ones and, you know, they work in terms of the

1 parking situation. I'm glad that it didn't make the
2 free press this year but it's always something that's
3 well coordinated in terms of activities what they do
4 downtown.

5 COMMISSIONER MOORE: Just one quick
6 question. I just thought the NPO Summit which is coming
7 up this weekend I was ordered by Commander Bettison to
8 put out an e-mail blast and I did that so I'm just
9 wondering about parking for those citizens that might
10 come down. Is there relaxed parking for this particular
11 event?

12 DEPUTY CHIEF HALL: The Marriott does have
13 parking, there's a parking garage at the Marriott.
14 Permission to speak freely. When we relax parking we
15 get these disparaging comments because if we relax
16 parking for some, then it's expected to relax parking
17 for all. Why do we do it for us; we can't do it
18 everybody else. So what we want to do is to maintain
19 our integrity as it relates to parking enforcement so we
20 will work something out for seniors and those
21 individuals that are coming downtown for the Summit.
22 Okay. We're encouraging them but we want to make sure
23 that and Commander Bettison may have some additional
24 information. We could also probably shuttle from 20
25 Atwater if that's necessary.

1 COMMANDER BETTISON: Compliments to the
2 Detroit Public Safety Foundation they're going to be
3 covering the parking. So we'll have signs out and be
4 able to let folks know exactly where they will be
5 parking.

6 COMMISSIONER MOORE: Outstanding, thank you.

7 COMMISSIONER BELL: Yes, sir.

8 CAPTAIN PETTY: Downtown services through
9 the chair. Just another FYI. They're commissioned in
10 the U.S. in Detroit on Saturday as well so that will be
11 downtown. Parking will be heavily congested. I think
12 it's at 11 it might start as early as 10:00. I'll send
13 you an e-mail when I get back to my office. And they're
14 trying to show least 1,500 to get them (inaudible) so
15 keep that in mind.

16 COMMISSIONER BELL: Once again parking. The
17 next item of business would be standing and Ad hoc
18 committee reports at this time? Okay.

19 COMMISSIONER CRAWFORD: Mr. Chair through
20 the chair in terms of the Ad hoc committee for towing is
21 there going to be a meeting?

22 COMMISSIONER BELL: We in the process of
23 working out scheduling and a timeframe to meet and
24 hopefully in the next several days we can meet in that
25 timeframe.

1 COMMISSIONER CRAWFORD: Yes, sir. Thank you
2 very much.

3 COMMISSIONER BELL: We'll be communicating
4 with you on that. Mr. Hicks.

5 MR. HICKS: I have no report at this time.

6 COMMISSIONER BELL: Thank you. Any new
7 business? Old business? I think we need to speak to
8 the Halloween task force. Mr. Hicks, I think we sent
9 out communication to the commissioners if they want to
10 participate.

11 MR. HICKS: Yes. Yes.

12 COMMISSIONER BELL: Halloween task force is
13 what 29th, 30th and 31st in those three days.

14 MR. HICKS: I think commissioner you said
15 everything. But what we were trying to do is encourage
16 as we are with all of our employees full participation
17 in the Angels Night activity. A number of the staff are
18 doing things in their respective communities. OCI for
19 example has corralled a number of its staff and they're
20 doing some things that are going to operate out of the
21 Coleman Young building if I recall.

22 And for commissioners what we're trying to
23 do is to get commissioners to kind of buddy up with each
24 other and participate in the activities. Their activity
25 is going to be again more community based because the

1 way in which you tend to work and operate within the
2 community is through community-based organizations and
3 then they'll be a few people who are like the chair who
4 will be moving around city wide and essentially at that
5 point really just going to varying locations and it
6 probably would be locations where, I'm not going to say
7 that we'll be mirroring the travel of the mayor and the
8 chief but we'll be coming right after them anyway. But
9 that's for the purpose of showing that the board is
10 active and supportive of the activities as they have
11 been on Angels Night.

12 COMMISSIONER BELL: Thank you, sir. Any
13 other comments in that area? Yes, sir.

14 MR. HICKS: Commissioner, there was also an
15 item that I had sent out that Commissioner Dewaelsche
16 may want to speak to it but SER Metro is going to be
17 doing a luncheon, a business recognition luncheon but I
18 did send that information out.

19 COMMISSIONER DEWAELSCHE: Right, it's our
20 annual event that we have every year and it's October
21 25th at the Ford Conference Center and I think we did
22 e-mail that information to the board. Thank you. But I
23 would also like to make a comment about Angels night.
24 SER Metro also and I'm sure that some of the other
25 commissioners' organizations are involved in Angels

1 Night. We sponsor Angels Night with the mayor's office
2 and we work in our district of southwest Detroit so I
3 just wanted to make that known and we do it every year
4 so.

5 COMMISSIONER BELL: Thank you.

6 COMMISSIONER MOORE: Another note of old
7 business to you Assistant Chief last week we brought up
8 at the commission meeting about two promotions that were
9 given up posthumously I know Stile and a question came
10 about how does that happen? What goes about those
11 promotions? Is it money involved? Things of that
12 nature so we never did get any clarification on that. I
13 sent out e-mail to try to, you know, find out off the
14 record but it wasn't responded to so now I'm asking you.

15 ASSISTANT CHIEF WHITE: Who did you send the
16 e-mail to?

17 COMMISSIONER MOORE: I'll tell you off the
18 record.

19 ASSISTANT CHIEF WHITE: Okay. I will get
20 information and I will tell you that there's no economic
21 benefit to the promotion. I do know that for a fact but
22 with regards to what went into it specifically if you
23 want to talk offline, we can.

24 COMMISSIONER MOORE: Okay.

25 COMMISSIONER BELL: Thank you. Any other

1 old business? Announcement: Next meeting would be on
2 Thursday, October the 27th at 3 p.m. at the Public
3 Safety Headquarters. And the next community meeting in
4 November the 10th is 6:30 p.m. would be the 7th precinct
5 that would be the Church of the Christ Elmwood Park.
6 Oral communication from the audience; you have two
7 minutes. Please give your name for the record.

8 I just want to say to the public sometimes
9 there's individuals want to come before this board and
10 render criticism or suggestions or I think there's in
11 appropriate comments. I would hope that you address
12 your question and concerns to the board in the vain of
13 respect. If you have some specific criticism, see the
14 chair or the board secretary but we are not going to be
15 monitored or be chastised in that manner by anyone and I
16 think it would be appropriate to ask you to confine your
17 remarks because I looked at other bodies they don't
18 witness that type of dialogue, the council and other
19 bodies. So I don't think we want to continue down that
20 path in our public form.

21 We have an old mic process but for you to
22 come before this board and talk about unity and you're
23 not doing this and you're not doing that I think there's
24 a proper way to convey that but for us to -- we are
25 public servants, volunteers and we serve the public to

1 the best of our ability. And this should be respect by
2 all concerned parties.

3 I hope that you're not offended by it but I
4 just want to share that with you that we have talked
5 about it informally as commissioners and we feel as
6 though sometimes it's just inappropriate in terms of
7 some of the comments and we are not here to promote any
8 political party or any religion affiliation. Those
9 announcements not appropriate. If it's community-based,
10 then we want to hear and we want to share that. But in
11 terms of inappropriate remark we going to share that if
12 you come forward, then I will cut you off at the mic and
13 hold comments on that but I want to make sure that if
14 you have any concern that we're not operating properly,
15 contact the chair or the board secretary or any
16 commissioner and we would take that under advisement
17 thank you. Yes, ma'am.

18 MRS. BUTLER: Good afternoon, my name is
19 Fredia M. Butler. And I'm the president of the 2nd
20 Precinct Police Community Relations Council. On October
21 the 11th at our monthly meeting we had our guest
22 detective Brian Fountain and remember, I'm sure you
23 remember earlier when I first started attending the
24 meetings was because I was upset when I lost my Captain
25 Rochon. And I told you I didn't have anything against

1 who our new person so I couldn't speak at that time
2 about our new person but I am here today to tell you
3 that our commander, Commander Brian.
4 Mounsey and Captain Bihail Muhammad is at the 2nd
5 precinct at this time and on October the 11th as I spoke
6 before that Detective Fountain was complimenting our
7 commander on the outstanding work that he's doing in our
8 community. And so I just want you to know that I told
9 you before if I have concerns about anything that's
10 happening that I know that involves the police officers,
11 I have no problems stepping up to say what I have to
12 say.

13 So he is doing -- they are doing outstanding
14 work and of course we all must work together. It can't
15 be all on the police. They have a whole lot of work
16 that they do but I'm very, very pleased with the work
17 that is being done in our community. And I thank you.
18 I'm sure you weren't talking about me about complaining.

19 COMMISSIONER MOORE: Thank you for that
20 compliment..

21 MRS. BUTLER: That we have a community
22 conversation that's going on at the African American
23 museum on the 29th that is called the freedom schools
24 and it's called the freedom schools but it's really to
25 tutoring programs that's been offered in the community

1 and I hope that you will be able to come. That's
2 October the 29th at 1 p.m. at the African American
3 museum, thank you.

4 COMMISSIONER BELL: Commissioner.

5 COMMISSIONER SANDERS: Mrs. Butler, I'm glad
6 that you got to know the officers at precinct 2 because
7 that's a place that I stay at and I've been dealing with
8 them for a while and they've been pretty good to me and
9 I know they'll be pretty good to the citizens and you
10 got an open mind to work with them and you're going to
11 find out that those guys is excellent. If you call,
12 they don't put you on hold they get back with you. And
13 Mr. Muhammad, I mean, I had personal personal experience
14 with them I was just flabbergasted that they did such an
15 excellent job.

16 MRS. BUTLER: Of course. We didn't have any
17 problems with police officers. I was complaining
18 because we lost the captain who was doing a great job.
19 And I didn't know who was coming and what he was going
20 to do and I told you then that I would be back but I
21 didn't get, you know, I wouldn't complain about him. I
22 was complaining about Captain Rochon being moved that's
23 all. So we have an outstanding --

24 COMMISSIONER BELL: Ma'am President, well
25 I'm glad that you're now the president. That is a

1 proper dialogue with the board in reference to the loss
2 of your captain. You know, so I would not steer my
3 remarks in that matter. That's a proper concern and I'm
4 glad that you continue to interact with us and it's
5 always good to hear form you.

6 MRS. BUTLER: And if you move Commander.
7 Mounsey, we going to have a problem again.

8 COMMISSIONER BELL: Yes, ma'am. Thank you.

9 MRS. SMITH: Good afternoon, Bernice Smith,
10 political activist to the commissioner and to you,
11 Chief. I come before you this afternoon to let you know
12 I felt very bad with our discussion last week that we
13 had between you and myself Commissioner Bell. I know
14 you were speaking about the incident just now so I was
15 very upset about it and it will never, never happen
16 again. It wasn't a political announcement but
17 nevertheless it was the minister's but I just want to
18 let you know it will never happen again. I'm too
19 intelligent whether you believe it or not to let
20 anything like this ever be displayed again in public and
21 again I apologize to all of the commissioners, all
22 right, and I hope you accept my apology.

23 COMMISSIONER BELL: Yes, ma'am, I respect
24 you ma'am.

25 MRS. SMITH: Thank you my dear. You still

1 my dear. In the meantime, Regie please don't make me
2 laugh. In the meantime I am disappointed with what's
3 going on in the public in regards to the -- I was late
4 coming in but I do hope that we will settle it and it
5 will not be broadcast on the radio and in the newspaper.
6 But I feel as though the officers should think before
7 they do things in that nature because we got a darn good
8 police department. I've always said it and I always
9 support it whatever you've done and I always brag about
10 that we don't have any bad marks against ourselves but
11 in the meantime sometimes we do fall through the things
12 so again I apologize to you and I will be on my best
13 behavior and I'll hurry and get up and through with two
14 minutes. Take care.

15 COMMISSIONER BELL: Thank you, ma'am.

16 MR. DIVERS: Arthur Divers good afternoon.
17 And liaison for Councilman George Cushingberry. As you
18 know he asked me to come and sit in on your discussions
19 and report back to him what I have heard. And I want to
20 tell you I am absolutely amazed at the presentation that
21 was presented today. The wide range of things that the
22 department does and so forth and just as a citizen it
23 empowers me that I have a great deal more knowledge so
24 that when people come forth. And, see, I'm also
25 President of Winship Community Association and we have a

1 lot of people who are concerned about the police and
2 activities and if they have a comment where to go and so
3 forth. This presentation did give me a lot of
4 information as about the departments, what they do, what
5 their responsibilities are, and I've been amazed that
6 the things that are covered and the work that they do.

7 And I just want to commend the department
8 and its officers for a job well done. And I just want
9 to come before you and express it publicly. I'm very
10 pleased and I will certainly convey this kind of
11 comments and information to Councilman George
12 Cushingberry the President of the Detroit City Council.
13 Thank you.

14 COMMISSIONER BELL: Thank you, sir. Any
15 other comments? Commissioners, chair would -- sir?

16 MR. BATES: My name is Bobby Davis Bates.
17 I'm here on behalf of the Moorish Science Temple-America
18 and we -- I wasn't here to hear all the conversations
19 that went on but what brought me here today was the -- I
20 saw it on the news about the city corruption with the
21 police and that's what brought us here today. I have
22 been a victim of what went on with the towing of the
23 police being -- I mean of the tow companies towing cars
24 out. My car been broken into three times downtown right
25 down in Detroit where we are supposed to be safe in our

1 city. And I'm a human rights activist and I'm just here
2 to get a view on the community and get a better
3 understanding and build a bridge between the Moorish
4 community and the city of Detroit.

5 We are a distinct, individual group of
6 people and my interactions with the police in dealing
7 with my Moorish nation they don't understand that we
8 have rights as citizens here in America and we want to
9 gain and build a bridge between the police and the
10 Moorish Science Temple of America so that when the
11 police have an encounter with us know, they will know
12 and understand what our rights is as citizens.

13 COMMISSIONER CRAWFORD: Hold on.

14 COMMISSIONER BELL: Commissioner Crawford.

15 COMMISSIONER CRAWFORD: Through the chair.
16 Thank you for coming out because what has been occurring
17 across the country in terms of the Moorish community is
18 I think has been a serious, serious lack of
19 communication and understanding among police departments
20 across this country and as a matter of fact I've been
21 following some stuff in the media across the county for
22 years and I thank you for coming out because I never
23 heard anybody or seen or read of anyone reaching out
24 from the Moorish community to the police department.

25 So I as a commissioner, and I'm a

1 commissioner in District 3, but as Commissioner Bell
2 stated and I'm sure I'm not speaking for all the
3 commissioners but we welcome you and your members to
4 come in any time and especially sit down for discussion
5 and I'm sure those in the department too because this is
6 so important for the communication and the
7 understanding.

8 MR. BATES: Yes.

9 COMMISSIONER CRAWFORD: You know, because
10 there's been some serious, serious incidents that have
11 occurred and even resulted in fatalities across this
12 country involving members from the Moorish community and
13 some police departments. Yes, sir, so thank you very
14 much.

15 MR. BATES: Thank you, you too.

16 COMMISSIONER BELL: Thank you, sir.
17 Commissioners?

18 COMMISSIONER MOORE: I was going to say,
19 Mr. Chair, maybe Commander Bettison can talk to
20 Mr. Bates -- is the commander still here -- just to
21 establish that relationship.

22 COMMANDER BETTISON: Yep.

23 COMMISSIONER BELL: Thank you. The chair
24 would entertain a motion for adjournment.

25 COMMISSIONER MOORE: Support.
